FISHING REGULATIONS

Effective May 20, 1951

To be in full force and effect through May 17, 1952, the current fishing year, unless otherwise specified, subject to change, however, by the Commission prior to that date, for up-to-date information, inquire of your license dealer, sportmen's clubs or Deputy Game Warden.

Regular Open Season: May 20, 1951 to November 15, 1951, both dates inclusive.

Regular Closed Season: November 16, 1951 to May 17, 1952, both dates inclusive.

The above regulations apply except where otherwise specified in the paragraphs below or under the county regulations following.

Hours of Fishing: Open from 5:00 o'clock a. m. to 9:30 o'clock p. m., Mountain Standard Time, in all waters unless otherwise specified.

Licenses not required for children under fifteen years of age.

All waters operated by the Fish and Game Department and U. S. Fish & Wildlife Service as fish hatcheries, rearing ponds, and fish cultural stations within the State shall be closed to fishing at all times.

All waters not mentioned in these Regulations are open to fishing for all species of fish during the regular open season.

The **Daily Limit** on all species of trout, char, whitefish, and salmon shall be fifteen (15) fish, not to exceed ten (10) pounds and one (1) fish, except where otherwise specified. This **Daily Limit** shall not include more than fife (5) fish less than seven (7) inches in length.

The **Daily Limit** on grayling shall be five (5) fish.

The **Limit** on pike and pike-perch (walleyed pike and sauger) of all species shall be fifteen (15) fish, not to exceed fifteen (15) pounds and one (1) fish in any one day, of which no sauger or walleyed pike shall be less than ten (10) inches in length and no northern pike shall be less than eighteen (18) inches in length.

The **Limit** on bass of all species shall be fifteen (15) pounds and one (1) fish in any one day.

Sale or possession of salmon eggs or imitations thereof shall be absolutely prohibited.

Set-lines shall not be permitted unless specifically stated otherwise. (See section 3694, R. C. M. 1947). When set-lines are permitted, said set-line is not to exceed one hundred (100) feet and not more than six (6) hooks shall be attached thereto.

Floats on set-lines prohibited.

It is prohibited to use ground or chipped meat, fish or other food products "to bait a hole" in any fishing waters. (This does not prohibit the use of meat or fish for bait.)

Fishing within three hundred (300) feet below all dams hereinafter listed under County Regulations is prohibited.

Other Than Regular Season: Clark Fork River, from 300 feet below the Milltown Dam to the Thompson Falls Dam, shall be closed to fishing from March 1 to the beginning of the regular fishing season each year, and open the remainder of the year.

Open Entire Year: It shall be lawful to catch any species of fish in the Yellowstone, Kootenai and Missouri Rivers throughout the entire year. The regular creel and possession limits shall prevail in these waters. (Exception—see Park and Sweet Grass, Stillwater, Carbon and Yellowstone Counties).

The following rivers shall be open to fishing for all species of fish during the entire year: Milk River from three hundred (300) feet below the Fresno Dam in Hill County to its confluence with the Missouri, Flathead River from Flathead Lake to its confluence with the Clark Fork River, Clark's Fork of the Yellowstone River from its mouth to the Wyoming State Line, Little Horn River and the Big Horn River, and the Musselshell River from the Golden Valley-Musselshell County Line to its confluence with the Missouri River.

Set-Line Fishing for Ling and Non-Game Fish Only: (See Section 3694, Revised Codes of Montana.) Powder River; Little Powder River; Little Missouri River; Box Elder Creek in Carter and Fallon Counties; O'Fallon Creek in Fallon County; Beaver Creek in Wibaux County; the Yellowstone River from the North Dakota line to the bridge at Laurel on Highway No. 12; the Kootenai River; and the Missouri River shall be open to set-line fishing for ling and non-game fish only at all hours during the entire year with the following exceptions: That portion of the Missouri River in Lewis and Clark and Cascade Counties between Morony Dam and Holter Dam, that portion of the Missouri River below the Fort Peck Dam beginning from the marked cable below the concrete tunnel apron to its confluence with the Milk River, the Spillway Channel for Fort Peck Lake to its confluence with the Missouri River, and such portions of the above streams as may be affected by county regulations are closed to set-line fishing throughout the entire year.

Winter Fishing: All waters of the State are closed to winter fishing unless otherwise provided for by these regulations. In waters where winter fishing is allowed, angling is permitted in open waters or through a hole in the ice unless otherwise mentioned.

Sockeye Fishing Regulations During Spawning Season: From October 1, 1951 to December 15, 1951, both dates inclusive, the limit on sockeye salmon shall be thirty-five (35) fish per day and not more than two days' limit in possession in the following waters: Flathead Lake including Swan River from its mouth to the Highway Bridge below the power house in Lake and Flathead Counties; Whitefish Lake in Flathead County; Lake Francis and that portion of the inlet canal as far as Kunkle Gates in Pondera County; and the Clark Fork River in Sanders County.

However, in the above waters, from December 16, 1951 until September 30, 1952, the limit shall be fifteen (15) fish per day and not to exceed ten (10) pounds, one day's limit possession only.

In the above waters only, snagging sockeye with a combination of three hooks shall be permitted from October 1, 1951 to December 15, 1951, both dates inclusive. During the balance of the open season, sockeye may be taken only by means of hook and single line in hand or single rod in hand, or within immediate control.

FISHERMEN NOTICE!

Fishing cannot be greatly improved until the Fish and Game Commission has more information available. One of the greatest needs is catch data. Sportsmen interested in cooperating to improve fishing are requested to mail a card to the Helena office asking for a Fisherman's Log in which they may enter their catch records. Please do not make this request out of curiosity, but only if you are truly interested in cooperating by keeping an account of your catch records.
